:: Govern's and States companies' advertising/ propaganda in three "quality newspapers"

:: Govern's and States companies' advertising/ propaganda in TV companies

:: Political context: turbulent scene

Political system fragmented: 28 political parties in the Congress

Brazilian political scene have changed since Dilma Roussef's impeachment in 2016

Vice president from another party became the opposition to Rousseff and President supported by Right-wing groups

::Political context: turbulent scene

- Since 2014, Lava Jato ("Car Wash") corruption investigation jailed more than 100 people, touching important players in the government
- Former president Lula was condenned in 9 years for corruption in a polemic decision of Judge Sergio Moro

Changes in Media System?

Rising of Right wing groups participation in Social Media Right wing groups played a fundamental rule to organize protests against Roussef's government and Worker Party and supports the impeachment

Changes in Media System?

Traditional Media groups keep as relevant political actors (high level of political paralelism)

Large private media groups supported conservative government and its proposals without elections that debated them

Information law "keeps" your existence: conditions to follow and watch the State

Changes in Media System?

Media Public Service: Government proposed and Congress aproved a law finishing the Curator's Council of the Empresa Brasil de Comunicação (EBC).

The recent law ended of mandate's principle.

Republic's President defines EBC's president

Consequently, bias in the contents and procedures of public TV, radio, and agency news service?

Outlooks and future: in terms of media system

Is there future of Public Media Service?

How the internet increase will influence media system next years?

Outlooks and future: in terms of politics

Will electoral system change before next year elections?

Will next year presidential elections happen?

Who will be next candidates?

Outlooks and future: in terms of politics

Who will be the president in 2019?

Who will be the president next semester?

Thank you!
