- 3 other non-EU Countries

63 organisations are
partners in the THCS
Consortium

- Funding org's
- Research org's
- Administrative org's

Background

THCS Vision and Objectives

**High-quality, fairly
accessible, sustainable,
efficient, resilient and
inclusive health and care
systems for all**

- **Increase funding opportunities and strengthen the research and innovation community**
- **Fill the knowledge gap**
- **Increase the ability to implement innovation**
- **Intensify cooperation among countries and beyond healthcare**
- **Increase stakeholders' involvement**

THCS Expected outcomes

Stronger local and regional ecosystems

Researchers engaged in collaborative research at international level

H&C authorities and policy makers use research results in decision making

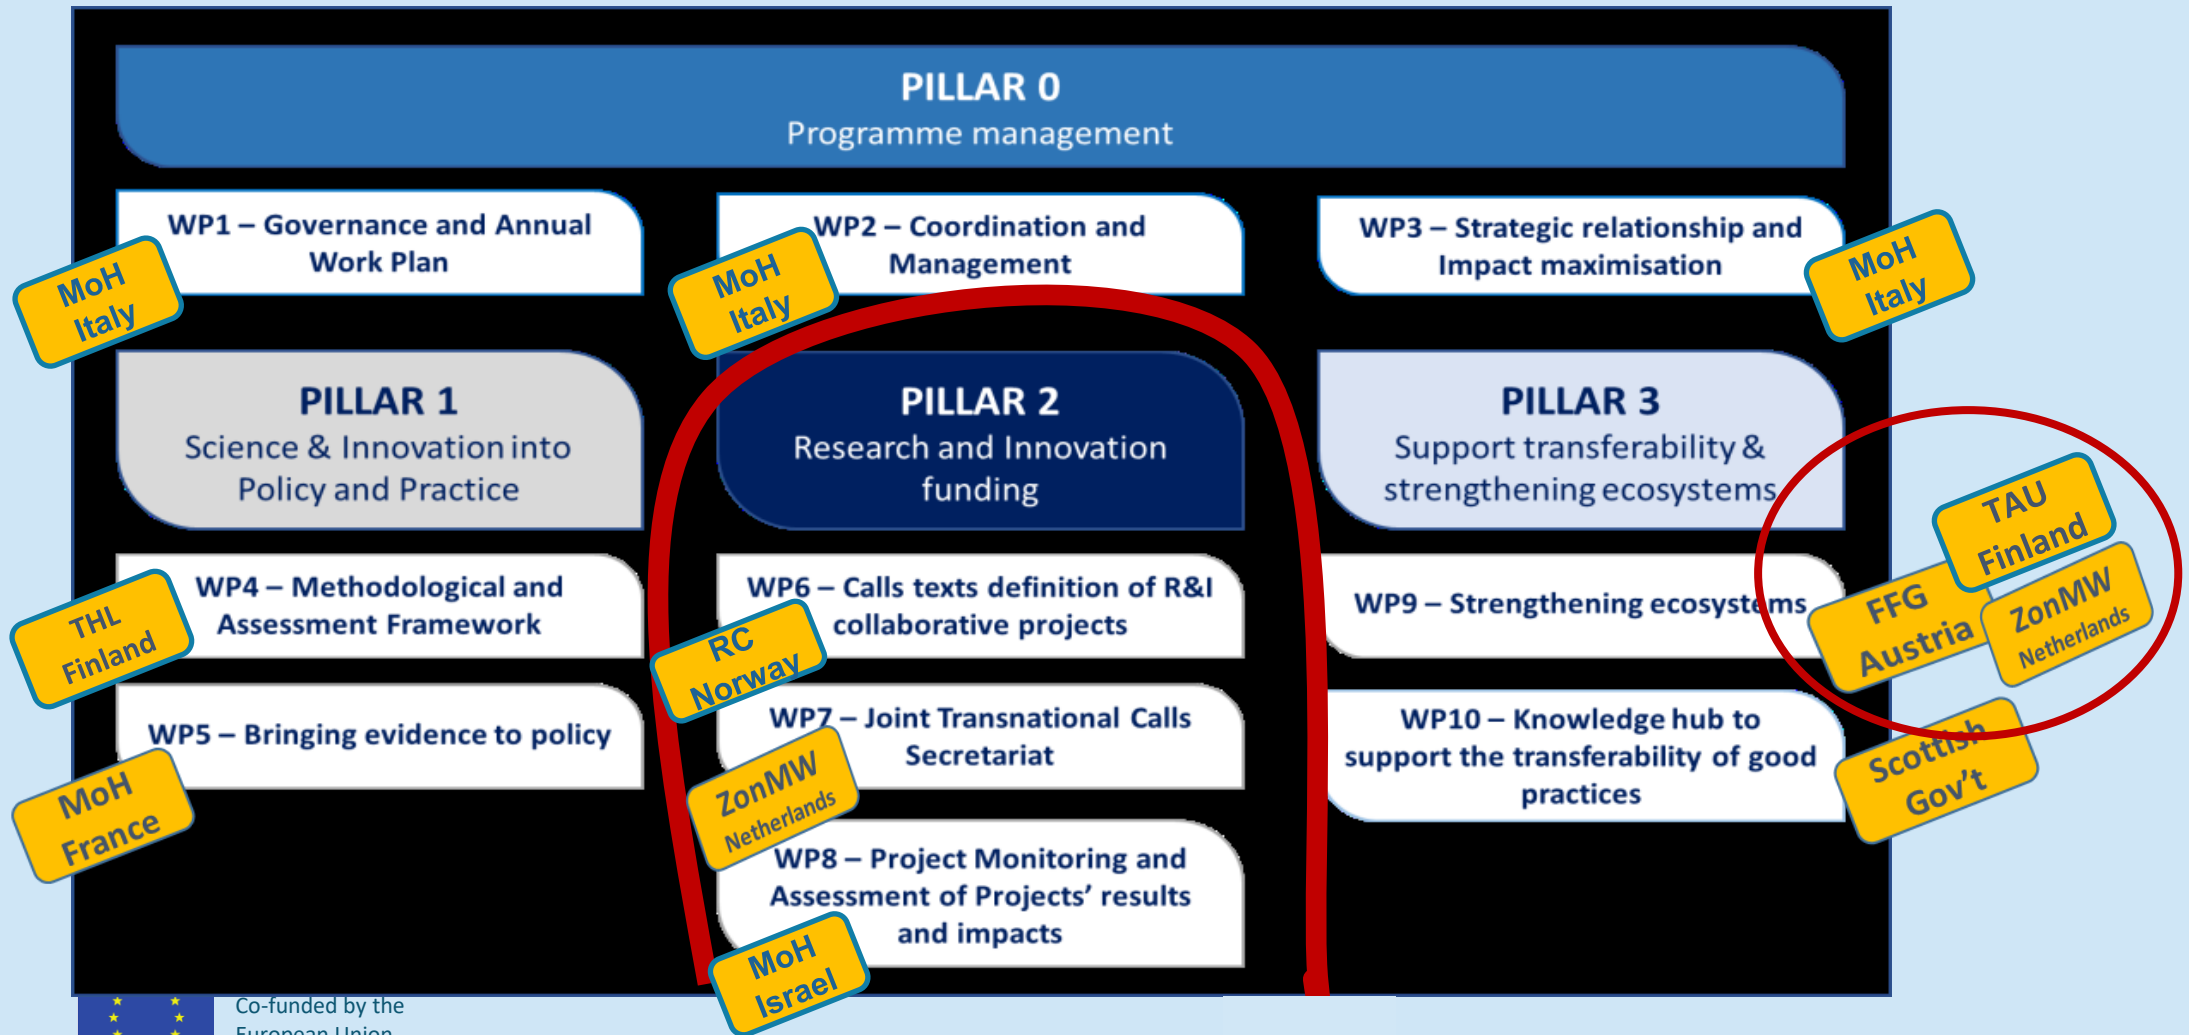

Better cooperation among Countries in this R&I field

H&C authorities, policymakers plan and carry out efficient investments

H&C providers and professionals implement innovative solutions

THCS Pillars and Work Packages

Co-funded by the
European Union

Funded by the European Union under the Horizon Europe Framework Programme - Grant Agreement N°: 101095654. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Health and Digital Executive Agency (HADEA). Neither the European Union nor the granting authority can be held responsible for them.
